

# Entrepreneurship Competition for University Students across Georgia

*Fostering entrepreneurship globally*

Students of Georgia-based universities & colleges may apply by emailing [tyeuniversity@gmail.com](mailto:tyeuniversity@gmail.com)

The program culminates with a Business Plan Competition at TiE Atlanta's TiECON Southeast in Spring 2015.

Program includes consulting services, mentoring, cash prizes, financial guidance, and access to capital & customers.

## Testimonial

*TYE U was a game-changing experience for us. It was great getting the opportunity to experience entrepreneurship, & learn to write & present a business plan. Feedback from TiE Atlanta judges was phenomenal. We now plan on starting a business after college!*
